Happy Holidays SRO~

It is amazing how quickly the months seem to pass: another winter holiday season is upon us – even if our weather doesn't confirm it!

I would like to take this opportunity to thank you all for your efforts and dedication to our research projects, to your teammates, and to high quality work. SRO is a unique community and your talents make us a highly capable and stronger organization.

I hope you can take time over the break to celebrate the season. I hope it brings opportunity to connect with people who are important to you, brings laughter to your homes and also gives you some rejuvenation for the very busy year ahead!

See you all in January.

Best Regards, Patty

Here is a list outlining just some of the SRO activities happening in the first few months of 2016.
